**RE: IGCSE and A Level Workshop 21<sup>st</sup> May 2019 (amended date)**

Dear Parent

In preparing students to choose the correct subjects in the next part of their educational journey, it is important that students have a clear understanding of the following:

- Areas of interest
- Areas of strength
- Subjects of interest and strength
- Personal traits and characteristics
- Degree courses to study at university and which prerequisite subjects are required at A Level
- As a student where do you see yourself in five years' time?

We would like to invite you for a workshop on the evening of **Tuesday, 21<sup>st</sup> May, 18:15 - 19:30**. We have taken the liberty of researching a few online assessments, which I believe will assist students in streamlining their aspirations for the future.

Online assessments:

<https://www.yourfreecareertest.com/>

What career is right for me?

Princeton review quiz

We certainly hope that this will prove to be a beneficial experience. Please find the time to go through the above assessments.

Yours faithfully

*Yukeshia Makhan*
