RE: IGCSE SUBJECT SELECTION FORM 2020 - 2021

Dear Parent and Student

We are writing to inform you of subject choices for the forth coming IGCSE programme. We require you, the student, to select subjects which you are interested in, and have been successful in thus far in the programme.

It is important to note that students entering Form 4 will be choosing subjects which will form part of the two-year programme, which they will be examined upon in Form 5 through the Cambridge International Examinations board. The compulsory subjects are as follows:

English Language and English Literature	2nd Additional Language (Afrikaans, French or Setswana)
Mathematics	Physical Education

For a holistic experience we recommend that students choose one subject from the following disciplines: Arts, Commerce, Humanities and Sciences.

Bearing the above in mind students are required to choice one subject from Bands A-E for 2020-2021, which are outlined as follows:

Band A	Band B	Band C	Band D	Band E	Band F
History Accounting Biology	Physics Geography Business Studies	Economics Chemistry History	Computer Science Geography Economics	Business Studies Chemistry Biology	Drama Design & Technology Art and Design

Students interested in Music will be registered for Trinity examinations.

Along with this letter I have attached an updated options form for your consideration. I have also attached an IGCSE Option Booklet which should provide you with all the relevant information you require to make an informed choice. Please note that subject choices will be reviewed after results have been obtained from the November examinations. Students will be advised by Mrs Simba if their subject choices will need to be changed.

Yours faithfully
