Dear 6th Form Parents

RE: 6th Form Personal Development/Team-building Excursion to Paramount Conference and Adventure Centre

As part of the leadership programme at the school, in the first term of 2020 we are planning to take the 6th Form students away on a Personal Development and Team-building Excursion. We have held this trip over the last four of years and has proved to be very popular amongst the students. Our focus next year is to look at harnessing and reinforcing the types of skills which will assist our 6th Form cohort for the academic year ahead and beyond. We know that the team-building skills, skills needed to overcome obstacles and dealing with the unexpected matters are key elements of success in our rapidly changing world.

Paramount Conference and Adventure Centre facilitators are accustomed to working with corporate groups, and they aim to bring some of the exercises and activities from this context to our programme. The programme will be interactive and group based so our students can look forward to high levels of involvement and participation rather than a 'lecture' format. The facilitators assure us that the students will learn and have a lot of fun!

Paramount Conference and Adventure Centre is about 15 km from Rustenburg.
