Re: Career Expo 2020

Dear **Parent**

We would like to invite you to our Career Expo scheduled for Saturday, 22nd February 2020 (09:00 - 12:00) in the Theatre. We believe that it is never too early to begin thinking about career options for our young leaders of tomorrow and hence I will encourage you to accompany your son / daughter to the Career Expo. If you wish to exhibit at the Career Expo and share your career path, knowledge and training with our students, then we will certainly appreciate and value your input.

The primary function of the Career Expo is to offer students the opportunity to consider their future career prospects and interact with a range of universities and professionals who will be attending this event. We hope to provide students attending the event with knowledge of the various institutions which exist and the different career paths which are available to them after A-Levels.

Should you wish to participate in the event, please email us by 25th January 2020. We look forward to meeting you then.

Yours faithfully
