

8 January 2020

Dear Parents,

Happy New year to all our parents of the International School of South Africa. We look forward to a productive and engaging year with all our stakeholders.

Coming out of our Parent meeting on the 4th December 2019, the Board made an undertaking to have a follow up meeting with parents on the 11 January 2020.

Given the timing of that meeting, the Board was unable to wrap up business as was required for the follow up meeting for 11 January 2020.

This meeting will therefore be postponed to a date to be confirmed once all information to complete the business of that meeting is acquired.

Thank you for your understanding in this regard.

Yours faithfully

Mrs Thato Tlape
Chairperson of the Board of Governors
