

6 August 2020

Dear Parents

We are working towards opening boarding houses on the 30th August 2020 as outlined in the Hostels COVID Plan.

We are conscious that some parents may still choose not to send their children during this period because of prevailing circumstances, but let us keep the conversations open.

I have attached a separate COVID -19 Plan for boarding students as promised.

Plans will be made to meet students at the Botswana border and at Oliver Tambo as has been explained in the document.

Parents will be receiving a travel document which will be sent from Phillip Nheera`s office to facilitate easier travel to school.

I will maintain constant contact with parents during the course of the holiday should any plans change.

Please do not hesitate to drop me a line if there is anything that you wish to clarify.

Thanks again for your patience and all your support.

Yours sincerely
