

02 November 2020

Dear Parents

As we come to the end of a very challenging year due to the Covid – 19 pandemic I would like to draw the following to the attention of our parents and the student body.

### Primary School Open Day

On the Saturday 7 November we are hosting our 2020 Open Day. We kindly request that our current parents and students help us spread the word and invite any potential family members/friends who might be interested in joining The International School of South Africa. We look forward to sharing information on the Internationally accredited curriculum and our offerings in extra-curricular activities.

### Grades 00, 0 and 1 Orientation

On Thursday 12 November we are going to run an orientation programme for new and all our current students who will be joining grades 00, 0 and 1 in 2021.

### Grade 6 Checkpoint Examinations

The end of Primary School examinations were administered smoothly and we only hope that our students recalled all they had learned during their Primary School career and will achieve good results. Our sincere thanks go to all the teachers and parents who assisted them in the preparations for these exams.

## Fun Sports

It was pleasing to see how excited our students were when the sporting activities were partially reintroduced to the School day. Unfortunately, we have only a few weeks left for the year but we are certainly planning a sport filled 2021.

Sincerely

Deputy Head – Primary School
