Dear Parents,

Appointment of Parent representatives to the Board of Governors

According to the Deed of Foundation of International School of South Africa, two Parent representatives must be appointed to serve on the Board of Governors.

The process to be followed according to the Deed of Foundation, is that the Parent body at the School shall be empowered to vote for representative members of the Board of Governors at an Annual General Meeting of the Parent body. This representation calls for one Primary School parent and one Senior School parent.

The AGM will be held online to facilitate parents who are working, and our boarding parents who reside in other countries.

We have created a Google form for parents to complete by clicking on the link below.

The Google form for nominations should please be completed by 1 November 2024. A shortlist will be compiled by way of majority nominations received from the parent body.

The school will assist in the facilitation of an online AGM on Thursday the 14th of November 2024 to appoint the two parent representatives.
